

You're Invited to be part of history!  
**Come to paid equal pay  
ratification meetings**

Come to one hour paid meetings and vote for the new rates for disability support and home support workers. Whether you're a union member or not, you need to attend to hear about the equal pay proposal and how it will affect you.

The new rates will be between \$19.00 and \$23.50 per hour in the first year, which is a huge jump up from the current average of \$16.00. If the majority of you vote to accept, the new payment rates will be effective from 1 July.

By 2021 the entry level will be \$21.50 and the top level pay will be \$27.00 per hour.

Now's your chance to have your say. The settlement will only go through if it is ratified by you and your workmates.
